(We like to inform each couple that every minute that you are slow dancing feels like 3-5 minutes and may get awkward. We can either use our discretion by fading the songs out when we see appropriate; you can just look at us during the dance when you are ready for us to fade; or you can inform us prior to the wedding of an exact time to fade. **\*GYE Tip:** *It has been proven that at weddings, more guests will dance if the Bride & Groom are on the dance floor.*

GYE will create a custom playlist for your wedding. Give us an idea of the genre you like (Ex: Top 40, 90's Alternative, 2000's rap, EDM, Country, etc.), as well as the genre you do not like. We do not recommend playing very many slow songs, as they have a tendency to bring the mood down.

## **Music Selection During Dancing**

**List 5-10 must play dance songs + 3-5 must play artists/genres** (*Please do not give us a list of more than 10 MUST PLAY songs, as this limits our ability to adapt to a live audience. A huge advantage to having a live DJ is that he or she can play off of the crowd.*): \_\_\_

**List DO NOT PLAY dance songs + artists** (*You can list as many songs + artists as you hate.*): \_\_\_

**How do you feel about playing older music for the older guest?** (*i.e.- Shout by The Isley Brothers, Ain't too proud to beg by Temptations, I want you back by Jackson 5, September by EWF, Play that funky music white boy by Wild Cherry*): \_\_\_

**How do you feel about Michael Jackson? Whitney Houston?:** \_\_\_

**How do you feel about 80-90's Throwback Hip Hop?** (*i.e.- This is how we do it by Montell Jordan, Jump around by House of Pain, It's tricky by Run DMC*): \_\_\_

**How do you feel about 2000's Throwback Hip Hop?** (*i.e.- Yeah by Usher, Low by Flo Rida, Crazy in love by Beyonce*): \_\_\_

**\*\*If you are unsure of any answers, please feel free to leave them blank, and we will help you fill them in. If the question does not pertain to you, please write N/A.**

**2000's Throwback Booty Shakin' music?** (i.e.- Get low by Lil Jon, Laffy Taffy by D4L, No hands by Waka Flocka): \_\_\_\_\_

**How do you feel about boy bands such as Nsync or Backstreet Boys?:** \_\_\_\_\_

**How do you feel about slow songs?** (We only recommend 1-2 slow songs max): \_\_\_\_\_

**How do you feel about Drake? Modern hip hop/rap?:** \_\_\_\_\_
